Welcome to State Fund’s Online Safety UniversitySM

With more than 300 safety training courses in English and nearly 70 courses in Spanish, training is included for both supervisors and employees on topics such as construction safety, fall prevention, ergonomics, driving safety, human resources, and more.

To help you identify training that meets your needs, we have divided our courses into the following sections. Additionally, any courses with an asterisk (*) next to them are also available in Spanish. To see our entire Spanish course catalog, we have provided the full listing on page 8, as well as our complete catalog in English on page 11.

In each section, “**Recommended Courses**” denote State Fund suggested topics or popular courses.

CONSTRUCTION & FALL PREVENTION

Recommended Courses:

Accident / Incident Investigation Cal/OSHA* - This course covers investigation process requirements in Title 8 3203 that should be used as part of your IIPP.

Heat Illness Prevention Training - State Fund webinar on preventing heat illness in outdoor workers. This course covers Cal/OSHA Title 8, Subsection 3395.

Job Hazard Analysis for Supervisors Cal/OSHA - This course covers the appropriate methods and steps for Job Hazard Analyses (JHAs).

Lockout/Tagout Safety Cal/OSHA - This course covers preventing the release of hazardous energy (electrical, kinetic, etc.), and how to comply with related Cal/OSHA standards.

Safe Lifting Strategies - State Fund Ergonomists' Elizabeth Kihm and Sharon Snarr share how important it is to lift safely and provide some great tips to prevent injuries.

State Fund's Scaffold Safety Course - In this course, participants will review Cal/OSHA requirements for scaffolds and learn how to recognize unsafe scaffolds.

Basic Construction Safety Cal/OSHA - Basic overview of the hazards in construction work, and an overview of associated Cal/OSHA standards.

Injury and Illness Prevention Programs (IIPP) - Not having an IIPP is the most cited Cal/OSHA standard, and it is a critical element to a healthy safety culture.

Ladder Safety Cal/OSHA* - Basic ladder safety, including ladder selection, and safety procedures. This course covers Cal/OSHA Title 8, Subsection 3276(f)

Preventing Slips, Trips, and Falls Cal/OSHA - This course covers Cal/OSHA standards relating to falls. Slips, trips, and falls are among the leading causes of fatalities at work.

State Fund's Fall Prevention Course* - Falls are the leading cause of death in the construction industry. This course covers methods of keeping employees safe from falls.

Additional Courses:

Arc Flash Safety

Avoiding the Crush Zone

Backhoe Safety with Trackhoe Supplement

Bulldozer Safety

Dump Truck Safety

Electrical Safety*

Eye and Face Protection

Flagger Safety

Behavior-Based Safety for Supervisors Cal/OSHA

Machine Guarding Cal/OSHA

Working Outdoors in Warm Weather

Safety Data Sheets

Work Zone Safety

ERGONOMICS

Recommended Courses:

Back Safety Awareness - How important is back health? Protecting your back can save you time, money, and pain. Learn the basics of back safety in the workplace.

Lifting and the Delivery Driver - Microlearning (10 min or less) course, which covers principles of safe lifting for parcel delivery drivers.

Package Handling for Delivery Drivers - In this short 10-minute microlearning course, delivery drivers can learn about safe package handling.

Back Safety Cal/OSHA - This course covers Cal/OSHA Title 8, section 5110, regarding basics of back safety in the workplace.

Safe Lifting Strategies - State Fund Ergonomists' Elizabeth Kihm and Sharon Snarr share how important it is to lift safely and provide some great tips to prevent injuries

Preventing Strains and Sprains - Work puts stress on the body that can cause injuries to muscles and ligaments. This course will help you take steps to reduce your risk.

Additional Courses:

Back Connection Awareness Training

Back Connection Back Basics

Back Connection Problem Solving

Back Connection Risk Factor Identification

Back Connection Talk Back Live Lifting

Back Connection Talk Back Live Sitting

Back Connection Talk Back Live Standing

Back Connection Talk Back Movement

Ergonomics for Employees Working From Home

Office Ergonomics - Adjusting Your Chair

Office Ergonomics - Headsets

Office Ergonomics - Lighting

Office Ergonomics - Monitor Placement

Office Ergonomics - Mouse and Keyboard

Office Ergonomics - Stretches for Office Workers

HUMAN RESOURCES

Recommended Courses:

Harassment Prevention for California Employees* - Compliant with SB 1343 training requirements. Covers how to identify and avoid harassment in the workplace.

Reasonable Suspicion for Drug and Alcohol Testing: The Role of the Supervisor - this course informs supervisors of their role in a Drug and Alcohol DOT program.

Harassment Prevention for California Supervisors* - covers identifying and preventing harassing or discriminating behaviors. Compliant with SB 1343 requirements.

Developing a Diversity and Inclusion Program - Covers identification of problematic conditions, share concerns, and find realistic ways to correct deficiencies.

Additional Courses:

8 Tips for Working From Home
Analyzing Work Processes
Anti-Bullying Supervisor Training
Antiracism: Challenging Inequity
C.A.R.E. About Implicit Bias
Challenge Organizational Bias
Cultural Competence
Dealing with Aggressive Behavior
Dealing with Conflict
Defining Useful Workplace Feedback
Determining Your Problem-Solving Style
Diversity in the Workplace: Diversity for All
EEO Laws: An Introduction
EEO Laws: Supervisor Responsibilities
Records Retention
Effective Writing for Business
Emergency Leave Under the FFCRA
Employer Responsibilities for Domestic Abuse
Ethical Decision Making in the Workplace
Evaluating Your Workplace Behavior
FLSA and Minimum Wage Rules

- PPE: Eye & Face Protection Cal/OSHA
- PPE: Head Protection Cal/OSHA
- PPE: Noise Exposure and Hearing Conservation Cal/OSHA
- PPE: Foot Protection Cal/OSHA
- Playground Supervision
- Practicing Hand Hygiene: Child Care Providers
- Practicing Hand Hygiene: Food Service
- Practicing Hand Hygiene: Medical Professionals
- Preventing Slips, Trips, and Falls Cal/OSHA
- Whole Health: A Well-Rounded Exercise Routine
- Whole Health: Maintain a Strong & Healthy Back
- Whole Health: Am I Getting the Right Nutrition?
- Whole Health: Techniques to Manage Stress
- Whole Health: Preventive Care
- General Safety Boost: Bloodborne
- General Safety Boost: Skin Protection
- General Safety Boost: Ergonomics
- General Safety Boost: First Aid
- General Safety Boost: Active Shooter
- Emergency Prep & Response: Wildfires
- Emergency Prep & Response: Hurricanes
- Emergency Prep & Response: Winter Storms
- Emergency Response in the Workplace

* Available in Spanish

DRIVER SAFETY

Recommended Courses:

Avoiding Accidents - This microlearning course (10 min or less) provides tactics to avoid accidents on the roadway.

Distracted Driving: Drop it & Drive * - In this short microlearning course, drivers learn about the dangers of not giving full attention when driving a vehicle.

Driving Defensively - This short 10 min microlearning course helps drivers understand important techniques for defensive driving.

Drowsy Driving - Driving while drowsy is extremely dangerous. In this microlearning course, drivers learn techniques to prevent falling asleep at the wheel.

Emotional Driving - In this microlearning course, drivers learn about the dangers associated with driving when emotions are high.

Hang Up and Drive: Cell Phones + Driving - this short microlearning course helps drivers understand the dangers of cell phone use while driving.

Tailgate Topics - Intersections - this microlearning covers the basics on safely entering and exiting intersections, and what to watch out for.

Look Back: Mirror, Mirror on the Car - this microlearning course (less than 10 min) helps drivers understand how to back safely in their vehicle.

Safe Following - Tailgating is a leading cause of rear-end collisions. This microlearning course helps drivers learn techniques to prevent these types of collisions.

Winter Driving - Driving in bad weather is sometimes unavoidable. This short microlearning course helps drivers understand the hazards and provides techniques to avoid them.

Additional Courses:

Aggressive Driving and Road Rage

Avoiding Collisions While Backing & Parking

Backhoe Safety with Trackhoe Supplement

Bulldozer Safety

Driving Around Animals

Driving While Impaired

Driving with Distractions

Dump Truck Safety

Hazard Recognition*

Intersections: Turning & Right of Way

Lane Use

Light Trucks: Avoiding Collisions

Light Trucks: Trailering

Managing Speed

Road Grader Safety

Safely Entering and Exiting with 3 Points of Contact

Snow Plow Safety

Space and Time Management

Street Sweeper Safety

Trip and Transportation Safety

Turning Hazards

Vehicle Care and Maintenance

Winter Driving Safety

Light Trucks: Backing Safety
